

JEREMIE'S WISH

Disney World & Universal Studios to make family memories! 2015

Thirteen year old Jeremie is a typical teenage boy who loves hockey (he is a huge Montreal Canadiens fan!) He enjoys hip hop, you-tube videos and Minecraft. Jeremie has heart condition and required open heart surgery when he was only 3 years old. Jeremie is close to his family and especially his grandparents whom have been a great support.

When we met with Jeremie to learn what his true wish was, Disney World and Universal Studios were number one on his list. Jeremie loves roller coasters and had wanted to experience Disney with his family for a long time.

On February 22th, Jeremie and his family received the amazing news that he was going to Disney World. Everyone jumped up with joy and tears were shed! The magic began when a limousine came to sweep Jeremie and his family off to the Airport for a fun week in Orlando Florida. We would like to thank WestJet, Give Kids the World and Sony Canada. Jeremie and his family had a magical week and they are extremely grateful for the memories and the generosity!
